PRESERVE & PROTECT OUR BEAUTIFUL OUTDOOR CHURCH

August 15, 2018

Dear Parishioners,

Our beloved Outdoor Church is filled with wonderful memories for many of us, and we are happy to announce it is being renovated. Most of the wooden benches have been repaired, and a new storage shed, covered in stone to complement the altar, will make things more convenient for setting up for mass. Extensive clearing of underbrush and grooming of the area is ongoing. On July 1, 2018 we initiated a plaque program to help cover expenses of the project, and to develop future income producing events on the property.

There are several ways for you to participate:

- Memorial Pew Plaques \$300
- Memorial Plaques mounted on board at altar with original plaques \$150
- Business sponsorships, Plaques mounted on sign bordering sidewalk along 4<sup>th</sup> Street, Acknowledge on Page on Website:
  - Gold \$1000 and up
  - Silver \$500 and up
  - Bronze \$250 and up
- Donate in the amount you choose by check or online [www.rrchurches.com](http://www.rrchurches.com)

You can fill out the attached form and mail it into the office or hand it in at the coffee service after the 9:00 AM Sunday mass.

God bless you,

Rev. Luis P. Peñaloza

Pastor, St. Elizabeth Catholic Church
